The screenshot shows the 'Create table' dialog in IBM Cognos Analytics. The dialog is titled 'Create table' and has a close button (X) in the top right corner. Below the title, it says 'Create a custom table in the data module. This table is not added to your data source.'

On the left side, there is a panel titled 'All tables' with a search icon and a search bar. Below the search bar, there are two items listed:

- HRDataset_v... - View (1) [checkbox]
- HRDataset_v14.csv [checkbox]

On the right side, there is a list of table creation methods, each with a radio button, an icon, a title, a description, and an information icon (i):

- View of tables**: To create a view of a table, select one or more package tables, or select one or more non-package tables.
- Shortcut to a table**: To create a shortcut table, select one non-package table.
- Alias of a table**: To create an alias table, select one non-package table.
- Copy of a table**: To create a copy of a table, select one non-package table.
- Joined view**: To create a join table, select two non-package tables.
- Union of tables**: To create a union table, select two or more non-package tables that have the same number of columns with compatible data types.
- Intersect of tables**: To create an intersect table, select two non-package tables that have the same number of columns with compatible data types.
- Except of tables**: To create an except table, select two non-package tables that have the same number of columns with compatible data types.

The screenshot shows the IBM Cognos Analytics web interface. A modal dialog titled "Open" is displayed in the center. The dialog has two tabs: "My content" (selected) and "Team content". Below the tabs is a table listing content items. The table has three columns: "Name", "Type", and "Last Modified". The items listed are "Assignment1 data module", "Assignment2 data module", and "New data module Assignment", all of type "Data module". At the bottom of the dialog are "Cancel" and "Open" buttons. The background shows the "Insertable objects" panel on the left and the "Page design" panel on the right.
